
Notice regarding an extension of the trial 'noisy' breaking hours period to 19 September 2019

Dear Neighbour,

Re: Extension of the trial period changing 'Noisy' hours periods whilst breaking out the Basement Slab

Due to requests for further consultation with Councillors and Resident Association leads prior to the review of the change to 'noisy' site hours, it has been decided to extend the current varied 'noisy' hours.

Westminster have issued the site with an extension notice of the trial period to 13/09/2019 and will conduct their review in early September.

If the new times are considered to have been generally well received, they will be adopted within the Section 61 agreement to the end of the Demolition Phase of works in November 2019.

As a reminder, the current trial of 'noisy' hours are:

09.00 - 11.00

12.30 - 14.30

16.00 - 18.00

Please note that normal demolition site works will continue during the quieter hours, which are spread over 3 periods instead of 2 and are:

08.00-09.00

11.00-12.30

14.30-16.00
