INFORMATION NOTICE 35

Dear Neighbour,

Re: Excavator delivery – Monday 27th January

Please be informed that there will be a delivery of an excavator to site on the morning of 27th January.

Due to permit restrictions of size-loads, the delivery must take place between 19:00 and 07:00. The delivery will arrive via Bishops Bridge Road, entering site from Redan Place between 6-7am, and will take less than 10 minutes.

Once delivered on to site, the engine will be switched off and the offloading operation will take place after 8am, during normal site working hours.

Please be assured that our site operatives have been briefed to keep noise to a minimum and we will put every effort in to ensure a quick and smooth operation.
